Jose Salazar, President

Dear Parents/Volunteers:

West Brownsville Little League, has been a fixture in Brownsville and Cameron County for over 60 years. Our mission is dedicated to encouraging good sportsmanship, honesty, loyalty, courage, and respect for authority amongst our community's children through participation in recreational and competitive baseball and softball.

Since 1962, West Brownsville Little League has called our current location its home. Other than the renovations that occurred in 1997-98, the park has remained relatively unchanged. This year's Board of Directors feels it is time we start giving back to a park that has touched so many lives by initiating a park improvement and beautification plan. This plan will be geared to improve and enhance the facilities that are deteriorating or lacking at this historic treasure. Some of the changes we would like to see accomplished include the installation of batting cages, redesigned dugouts, new scoreboards, the addition of more shade trees and picnic tables throughout the park, and the creation of a T-ball playing field.

The board's beautification committee has been working diligently with local businesses, city leaders, and with philanthropic foundations to make sure we see these projects come to fruition. At this time, we ask parents and volunteers to join us in the effort to help these changes happen. The board along with many volunteers will be preparing a brisket plate sale. All proceeds will be geared towards this beautification initiative and we humbly ask for your help in selling these tickets by the deadline. Without your help, we may not be able to come up with the necessary funds to fulfill the matching requirements that may be required by entities that would otherwise provide us with their donations.

We sincerely hope that you will support our efforts to make West Brownsville Little League Park the model park of our community. All checks should be made payable to West Brownsville Little League. If you have any questions, feel free to telephone our League President, Jose Salazar, at (956) 561-8058.

Thank You,

Board of Directors
