

WBLL HEALTH SCREENING

In the presence of at least one parent or guardian, please ask each player on your team the following questions whenever you meet for team activities. Take appropriate measures as discussed in our 2021 Reopening Guidelines.

1) Is your temperature greater than 100.3 today?

If yes, send the player home until the following day.

2) Do you have a cough, shortness of breath, sore throat, chills, muscle aches, headache?

If yes, send the player home until the following day.

3) Do you have a new loss of taste or smell, Ab pain, nausea, vomiting, or diarrhea?

If yes, send the player home until the following day.

4) Have you had close contact with someone who is currently sick of COVID?

If yes, send the player home until the close contact has been more than 14 days.

5) Have you been diagnosed with Covid-19 in the past 3 weeks?

If yes, send the player home until 10 days have passed since symptoms first appeared.

6) Have you traveled or had close contact with anyone who has traveled internationally in the last 14 days?

If yes, send the player home until this question can be answered no.

7) Have you traveled to any state outside of Texas in the last 14 days?

If yes, send the player home until this question can be answered no.

For general questions about our WBLL COVID Protocols, please contact Dino X Chavez, President, 956-459-6459. The Cameron County Health Department can also be reached at 956-247-3650.
