

Harlingen Eliminates West League All-Stars

RAYMONDVILLE — The West Brownsville Little League All-Stars, the last Brownsville team remaining in the Little League district playoffs, were eliminated from district play last night by the Harlingen American Little League All-Stars. The score was 1-0.

The Harlingen team collected five hits off Brownsville pitcher Larry Kvelon while the West All-Stars were able to pick up only four hits from Harlingen. Brownsville also committed two errors afield.

The Harlingen pitcher struck out five and walked one, and Kvelon matched that performance by fanning eight and walking only two.

The Harlingen club will face the winner of Thursday night's contest between the Harlingen Nationals and the Willacy County All-Stars.

With the defeat of the West All-Stars, both Brownsville teams are out of the tournament. Earlier this week, the West team defeated the East.
