

## Lions Down Shrimps In Extra Frames

The West Brownsville Lions continued their all-winning ways Tuesday with a 9-8 verdict over Brownsville Shrimp Exchange in a West Lions Little League game.

It took eight innings, two over the regulation Little League figures for the league-leaders to win the contest. The Lions are still undefeated in regular season play.

The score was tied in the fifth when the Little Shrimps scored once and the Lions twice bringing their run totals to eight. The deadlock continued through the sixth and seventh and was broken by the Shrimps in their half of the eighth with a single run.

But again the Lions were able to come back with two to grab the win.
