

Kiwanis Nine Leading In Little Loop

Kiwanis Friday afternoon defeated the Brownsville Herald, 7-3 to take over first place in the East Brownsville Little League.

Wet grounds postponed a Saturday game between Mercury and First National.

The victory gives Kiwanis a record of three wins and no losses in second half play while the Herald now holds a two win and one loss mark.

A late-inning rally put Kiwanis over the top in Friday's game. They trailed 3-1 going into the top of the fifth but scored six runs in that next to last frame with first baseman Dunne Anderson's home run driving in two of the winning tallies.

Roberto Rocha was the Kiwanis winning pitcher. He now has a season record of seven wins and no losses. Francisco Solis was the losing hurler.

Other East League results during the week were: Herald 8, Mercury 5; Kiwanis 16, First National Bank 8.
