

League as the first half of a double bill when the league races are over.

Night Games Slated For Lions League

Night baseball for West Lions Little League teams has been announced by Bill Montgomery, league president.

The first arclight contests are scheduled for Thursday night at the West Brownsville Lions Club field, Fifth and West St. Francis Streets. The Lions team will meet Junior Service League in the opening contest and Brownsville Shrimp Exchange faces Pan American Bank in the nightcap.

All West Lions League games will be played at the Lions field during the remainder of the season with night games wherever they will not conflict with Charro games or other activities.

The switch was made to ease the load of games at Ringgold Park which had both Little Leagues playing regularly as well as the Community Center league and general recreational play.

An afternoon game, starting at 5:30 p.m. is scheduled for the afternoon between the Lions and Pan American Bank.

Kiwanis And Lions Win Little Tilts

The West Brownsville Lions scored a 6-4 victory over the Brownsville Shrimp Exchange and Kiwanis drubbed First National Bank, 23-5 in Monday's Little League action here.

In the West Lions League tilt, the Lions made five hits good for their victory while the Little Shrimps got six. The winners scored once each in the first two innings and a pair each in the third and fourth.

The Shrimps broke loose for three runs in the third and one in the fourth to account for their total score output.

The Kiwanis League tilt was a complete walkaway as the Kiwanis exploded for six runs in the second after being blanked in the first and kept going to chalk up the lopsided win.

In games today, Herald takes on Mercury at Ringgold Park and the Lions face Pan American Bank at the West Lions field.

Gehrmann Will Pass Olympic 1,500 Meters

LONDON—(AP)—Don Gehrmann has given up the chase for the Olympic 1,500 meter race and has
