

### Service Club Teams Pace Little Loops

Service club teams lead both of the Brownsville Little Leagues after last week's games. The Lions are setting the pace in the West Lions League and Kiwanis Club tops the Kiwanis League.

The Lions are still undefeated in league play. Victories over Brownsville Shrimp Exchange, 6-4; Pan American Bank, 13-6 and Junior Service League, 10-2 last week runs their win mark to five with no losses.

Kiwanis has a mark of five wins and one loss to pace the Kiwanis League by two games. They won twice last week, over the First National Bank and Brownsville Herald.

Their latest victory was a 3-1 pitchers battle between Ruben Rocha of the Kiwanians and Alex Zamora of the Herald on Saturday. Rocha allowed only three hits while his teammates got to Zamora for six. The Herald nine scored its lone run in the first inning and Kiwanis managed all three of their tallies in the second.

In a Friday evening game, Mercury defeated First National Bank, 13-0.

Pan American Bank downed the Little Shrimps in a Friday game, 3-1 on five hits while the latter could muster only three. Three Pan Am runs in the second frame made the difference. The Shrimps got their score in the fourth.

It was announced last week that the Kiwanis Club plans to build its own park for the little leagues in the near future. Arrangements are nearly completed for the use of land at Fort Brown and the club has voted to spend the necessary money to erect a fence, construct stands and dugouts and make other necessary improvements.

The standings:

**WEST LIONS LEAGUE**

Team	W	L	Pct.	GB
