IT looked for a while as though too much kid baseball might create some friction at Ringgold Park but representatives of the two Brownsville little leagues, the community center junior league and city officials put their heads together and have come up with a solution. Under the new setup there will be playing facilities available for all the kids when their games are scheduled.

• • •

THE West Lions Little League plans to move its games to the West Brownsville Lions Club park, just across from the Charrrco home field as soon as it can be put into condition and laid out for the little leaguers—probably by the first of next week. The Kiwanis Little League will still play at Ringgold between 4:00 p.m. and 8 p.m. Monday, Wednesday, Friday and Saturday. That will leave Sunday from 1:00 to 6:00 p.m. for the community center juniors as well as Tuesday and Thursday afternoons. All other periods will be available for general use, practice and other games.
