

Bankers Rap Mercury 13-8

First National Bank trimmed the Mercury nine, 13-8 Wednesday afternoon in a loosely-played Kiwanis Little League game at Ringgold Park.

The winners got only six hits but 10 bases on balls helped them run up the score.

A. Gracla went the route for the Bankers to register his first win of the season with Lauro Vera catching.

Mercury started out with Jose Rublo on the mound and Hector Solis behind the bat but the players switched positions later in the game.

A scheduled West Lions League tilt between Junior Service League and Brownsville Shrimp Exchange at the West Lions park was postponed because of a wet field.

Junior Service League and Pan American Bank were scheduled to play this afternoon.
