

Montgomery Elected Head Of Kid Loop

Bill Montgomery has been named president of the West Brownsville Little League, formed this week as a second four-team circuit here.

Noel Landreth is the organization's vice president, Phil D. Baldauf, secretary and A. P. Waugh, treasurer.

Teams entered in the league are West Brownsville Lions Club, Pan American Bank, Brownsville Shrimp Exchange and Junior Service League.

The new league, covering the area west of East Seventh Street, was organized on direction of national Little League headquarters in Williamsport, Pa. The national body ruled that Brownsville has the population requirements for two leagues rather than only one six-team league.

The East Brownsville League is composed of teams sponsored by the Kiwanis Club, Brownsville Herald, First National Bank and Mercury's.

Player selections have already been made by the East Brownsville teams and the player auction for the West Brownsville league are scheduled for tonight.

Teams in both leagues will play an 18-game schedule with the first games scheduled for May 10.
