

Pan Am Tops Jr. Service Team, 14-13

Pan American Bank finally took a 14-13 decision over Junior Service League Thursday afternoon in a West Lions Little League baseball game at Lions field.

The winners got nine hits to five for the losers but numerous errors on both sides were the biggest factors in the high-scoring tilt.

It has been announced that the West Lions League will play games Monday through Thursday from here on out at the West Lions Field, fifth and W. St. Francis Street. Games start at 5:30 p.m.

Today the Kiwanis League has a double header scheduled at Ringgold Park. First National Bank meets the Brownsville Herald in the first game and Mercury plays Kiwanis in the second.
