

WEST BROWNSVILLE LITTLE LEAGUE

PO Box 4881, Brownsville, Texas 78526
1295 Cottonwood Drive, Brownsville, Texas 78520

March 12, 2020

CORONAVIRUS COVID-19 NOTICE

Parents / Coaches,

Out of an abundance of caution, as well as the recommendation from Little League Headquarters, our board of directors as elected to postpone the beginning of our season until April 6, or until we receive an additional directive from Little League to do otherwise. Over the following days, we will be monitoring this situation and communicating any changes to this unanticipated temporary stoppage.

During this temporary stoppage, we are requesting that no meetings, practices, games, or get-togethers take place that involve our registered players. The common sense thing to do is avoid group situations and contact your physician immediately with any health concerns.

As a consequence of this temporary stoppage, the following scheduled activities will be rescheduled for another time:

March 14 – Rules Clinic @Raymondville
March 15 – Challenger 2nd Assessment
March 21 - Coaches' Drills Clinic

March 28 - Opening Ceremonies
March 30 - Opening Day

Thank you for your patience and understanding,
Dino X. Chavez
President
